

Community Group Questions 10.20.19

Please feel free to use these questions as a guide for your group.

1. What are we enjoying about our community group so far? Are there things about community group, that we have control over, that we should change? It's good to have these conversations often, as to not get stuck into ruts.
2. Does your group want to read a book together focusing on the spiritual disciplines? If so, we recommend reading Richard Fosters "Celebration of Discipline." This book is available at a reduced cost of \$10 at the church.
3. As we think about raising up future community group leaders is there a person or couple in your group who might be willing to lead a group for the next CG session at the end of January? If so think through some different ways to prepare them to be ready to lead their own group in the future.
4. What was most impactful from this past Sunday?
5. *Luke 18:1 - And he told them a parable to the effect that they ought always to pray and not lose heart.* – what types of things tempt you to lose heart? – How might praying regularly help?
6. The example from scripture is to be persistent when it comes to prayer- to persevere in prayer which helps us keep our faith strong. Where are you when it comes to the discipline of prayer? Are you satisfied in your discipline or would you like to grow? What can you practically do to enhance this area of your life?
7. Practice praying for the following (each other, the church, lost people you know, the return of Jesus!)
