

## COMMUNITY GROUP QUESTIONS FOR WEEK OF OCTOBER 8

### WARM UP

- 1) Where have you had the most fun or significant results in serving?

### EXPLORE

- 2) Read Matthew 6:19-14. What is the most challenging part of this teaching for you personally?

- 3) What points in the message are you still processing?

- 4) What is the hardest part about making God your true Master? What keeps you from living out this commitment?

- 5) What happens when we serve the wrong masters? Can you think of a personal example when you got it wrong and suffered the consequences?

- 6) How do you consistently make the right, wise choice when the storms come?

### APPLY

- 7) Share with each other where you are currently serving the Lord, or where you are considering serving. If you have a role where you are thriving, take

some time to thank the Lord and to pray for continued fruitfulness (it's wise to never take that for granted). If you are needing to jump in and serve, ask someone in your group who knows you and have them offer you some suggestions (or talk to anyone on staff). Try a few opportunities out to find a best fit for you.
